Course Overview

The NASPGHAN Course on Capsule Endoscopy is designed for academic and community-based gastroenterologists, surgeons, internists, and fellows. The course will consist of lectures of clinical and practical importance, case studies with opportunity for discussion, and hands-on demonstrations.

Course Objectives

Upon completion of the program, participants should be able to:

- Understand the features, benefits, and clinical applications of capsule endoscopy
- Apply capsule endoscopy within their practice
- Integrate new frontiers in gastroenterology to improve overall delivery of care

Course Directors

- *Ernest Seidman*, MD, FRCPC, FACP
Hospital Sainte Justine
Montreal, Quebec
- *Stanley Cohen*, MD
Children's Center for Digestive Healthcare
Atlanta, Georgia

CME Accreditation

The North American Society for Pediatric Gastroenterology, Hepatology & Nutrition (NASPGHAN) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. NASPGHAN designates this educational activity for a maximum of 8 Category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Faculty Disclosure

All presenters participating in continuing education programs must disclose to the audience any real or apparent conflict(s) of interests relating to the content of their presentation.
